CHECK POINT SOFTWARE TECHNOLOGIES REPORTS 2023 FIRST QUARTER FINANCIAL RESULTS

SAN CARLOS, CA – May 1, 2023 — [Check Point@ Software Technologies Ltd.](https://www.checkpoint.com) (NASDAQ: CHKP), today announced its financial results for the quarter ended March 31st, 2023.

First Quarter 2023:

- Total Revenues: \$566 million, a 4 percent increase year over year
- Security Subscription Revenues: \$228 million, a 13 percent increase year over year
- Deferred Revenues: \$1,797 million, an 8 percent increase year over year
- GAAP Operating Income: \$200 million, representing 35 percent of total revenues
- Non-GAAP Operating Income: \$238 million, representing 42 percent of total revenues
- GAAP EPS: \$1.52, a 17 percent increase year over year
- Non-GAAP EPS: \$1.80, a 15 percent increase year over year

“We are pleased to report good financial results with 15 percent growth in non-GAAP EPS and 13 percent growth in security subscription revenues. This double-digit growth was driven by our CloudGuard and Harmony E-mail product families. The economic slowdown has resulted in extended product sales cycles, while recurring revenues were healthy and reached over 80 percent of total revenues for the first time.” said Gil Shwed, Founder & CEO of Check Point Software Technologies. “Our Infinity platform revenue grew over 140 percent during the quarter, underscoring the strength of the platform as the future of cyber security. The Infinity platform implements the key essential principles of effective cyber security - the 3 Cs: Comprehensive, Consolidated and Collaborative security.”

Legal Notice Regarding Forward-Looking Statements

This press release contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Forward-looking statements generally relate to future events or our future financial or operating performance. Forward-looking statements in this press release include, but are not limited to, statements related to our expectations regarding our products and solutions, expectations related to cybersecurity and other threats, and our participation in investor conferences during the second quarter of 2023. Our expectations and beliefs regarding these matters may not materialize, and actual results or events in the future are subject to risks and uncertainties that could cause actual results or events to differ materially from those projected. These risks include our ability to continue to develop platform capabilities and solutions; customer acceptance and purchase of our existing solutions and new solutions; the market for IT security continuing to develop; competition from other products and services; and general market, political, economic and business conditions, including as a result of the impact of the Covid-19 pandemic. The forward-looking statements contained in this press release are also subject to other risks and uncertainties, including those more fully described in our filings with the Securities and Exchange Commission, including our Annual Report on Form 20-F filed with the Securities and Exchange Commission on April 27, 2023. The forward-looking statements in this press release are based on information available to Check Point as of the date hereof, and Check Point disclaims any obligation to update any forward-looking statements, except as required by law.

Use of Non-GAAP Financial Information

In addition to reporting financial results in accordance with generally accepted accounting principles, or GAAP, Check Point uses non-GAAP measures of operating income, net income, and earnings per diluted share, which are adjustments from results based on GAAP to exclude, as applicable, stock-based compensation expenses, amortization of intangible assets and acquisition related expenses and the related tax affects. Check Point's management believes the non-GAAP financial information provided in this release is useful to investors' understanding and assessment of Check Point's ongoing core operations and prospects for the future. Historically, Check Point has also publicly presented these supplemental non-GAAP financial measures in order to assist the investment community to see the Company "through the eyes of management," and thereby enhance understanding of its operating performance. The presentation of this non-GAAP financial information is not intended to be considered in isolation or as a substitute for results prepared in accordance with GAAP. A reconciliation of the non-GAAP financial measures discussed in this press release to the most directly comparable GAAP financial measures is included with the financial statements contained in this press release. Management uses both GAAP and non-GAAP information in evaluating and operating business internally and as such has determined that it is important to provide this information to investors.
