

# IPSEC *Certificate*

Presented this 23<sup>rd</sup> day of January 2018 to

## Check Point Software Technologies, Inc.

Check Point Security Gateway  
With Next Generation Threat Prevention & SandBlast™

ICSA Labs is pleased to announce that the product named above retained certification following rigorous and thorough testing in the ICSA Labs IPsec Certification Testing Program.

The product was most recently tested against the requirements in version 3.0 of the ICSA Labs IPsec Testing Criteria.

The product remains continuously deployed at ICSA Labs where it may be subjected to ongoing testing.

Sebastien Mazas, General Manager, ICSA Labs

Barring decertification during continued testing, this certificate is valid through January 22, 2019

Certificate number: 100034R08
