#### CHECK POINT SOFTWARE TECHNOLOGIES REPORTS 2022 FIRST QUARTER FINANCIAL RESULTS

# SAN CARLOS, CA – April 27, 2022 — Check Point® Software Technologies Ltd. (NASDAQ: CHKP), today announced its financial results for the quarter ended March 31<sup>st</sup>, 2022.

## First Quarter 2022:

- Total Revenues: \$543 million, a 7 percent increase year over year
- Security Subscription Revenues: \$202 million, a 14 percent increase year over year
- Deferred Revenues (as of March 31, 2022): \$1,666 million, a 14 percent increase year over year
- GAAP Operating Income: \$200 million, representing 37 percent of total revenues
- Non-GAAP Operating Income: \$239 million, representing 44 percent of total revenues
- GAAP EPS: \$1.30, a 2 percent decrease year over year
- Non-GAAP EPS: \$1.57, a 2 percent increase year over year

"We had an excellent first quarter," said Gil Shwed, Founder and CEO of Check Point Software Technologies. "Total revenues and earnings per share reached the high-end of our projections. We had strong product demand in our Quantum family and continued strength in our CloudGuard and Harmony products. The global escalation of cyber-attacks is making companies rethink the dated approach of disparate point solutions and they are transitioning to a more unified approach to prevent the next cyber pandemic. Our customers continue to adopt more of our technologies and consolidate their security infrastructure with our Infinity architecture."

This press release contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Forward-looking statements generally relate to future events or our future financial or operating performance. Forward-looking statements in this press release include, but are not limited to, statements related to our expectations regarding our products and solutions, expectations regarding customer adoption of our products and solutions, expectations related to cybersecurity and other threats, and our participation in investor conferences during the second quarter of 2022. Our expectations and beliefs regarding these matters may not materialize, and actual results or events in the future are subject to risks and uncertainties that could cause actual results or events to differ materially from those projected. These risks include our ability to continue to develop platform capabilities and solutions; customer acceptance and purchase of our existing solutions and new solutions; the market for IT security continuing to develop; competition from other products and services; and general market, political, economic and business conditions, including as a result of the impact of the Covid-19 pandemic. The forward-looking statements contained in this press release are also subject to other risks and uncertainties, including those more fully described in our filings with the Securities and Exchange Commission, including our Annual Report on Form 20-F filed with the Securities and Exchange Commission on April 14, 2022. The forward-looking statements in this press release are based on information available to Check Point as of the date hereof, and Check Point disclaims any obligation to update any forward-looking statements, except as required by law.

#### Use of Non-GAAP Financial Information

In addition to reporting financial results in accordance with generally accepted accounting principles, or GAAP, Check Point uses non-GAAP measures of operating income, net income and earnings per diluted share, which are adjustments from results based on GAAP to exclude, as applicable, stock-based compensation expenses, amortization of intangible assets and acquisition related expenses and the related tax affects. Check Point's management believes the non-GAAP financial information provided in this release is useful to investors' understanding and assessment of Check Point's ongoing core operations and prospects for the future. Historically, Check Point has also publicly presented these supplemental non-GAAP financial measures in order to assist the investment community to see the Company "through the eyes of management," and thereby enhance understanding of its operating performance. The presentation of this non-GAAP financial information is not intended to be considered in isolation or as a substitute for results prepared in accordance with GAAP. A reconciliation of the non-GAAP financial measures discussed in this press release to the most directly comparable GAAP financial measures is included with the financial statements contained in this press release. Management uses both GAAP and non-GAAP information in evaluating and operating business internally and as such has determined that it is important to provide this information to investors.
