

# CHECK POINT SECUREACADEMY PROGRAM

## WHY BE A CHECK POINT SECUREACADEMY PARTNER?

Check Point Software Technologies Ltd. is the worldwide leader in securing the Internet. Making Internet communications and critical data secure, reliable and available everywhere has been and continues to be our ongoing vision. Through partnering with Check Point, colleges and institutions of higher learning are dedicated to provide global education on cyber security to students around the world.

## BECOME A SECUREACADEMY PARTNER

SecureAcademy Partners educate and prepare students with vital network security skills using Check Point technology and solutions. As a Check Point SecureAcademy Partner, you will increase students' knowledge in cyber security while helping students transition from classroom to career path.

## BENEFITS OF BECOMING A SECUREACADEMY PARTNER

SecureAcademy partners receive exclusive benefits, tools and resources to promote themselves, courses and certifications, including:

- Partnership with the worldwide leader in cyber security
- Recognition as an SecureAcademy partner to increase awareness and promote the university's cyber security program and offerings
- SecureAcademy training materials that promote sought after job skills for students
- Assistance with students obtaining Check Point certification(s)
- Communications on training and tools
- Valuable instructor support materials including lab topologies, worksheets, presentations, and more
- Newsletters and email forums
- Direct marketing, sales, and advertising tools and templates
- Right to use the Check Point Partner logo and SecureAcademy logo
- Eligibility to participate in Check Point courseware Beta events

## SECUREACADEMY REQUIREMENTS

- Comfortable training facilities for at least ten (10) students
- Physical computers or virtual machines for individual student access
- Audiovisual capability for slide presentations
- Certified instructors for each product version being taught
- Each instructor must have a trainer or teacher certification
- Maintain a minimum of one Check Point certified instructor (minimum CCSA, current version; CCSE is preferred) per location

## NEXT STEPS TO BECOME A CHECK POINT SECUREACADEMY PARTNER
