Additional Instructions for Mailing Your Package

1. Print this page.
2. Cut out the return label.
3. Write your return address in the upper-left corner of the label after “FROM.”
4. Write your RMA number after “RMA#.”
5. Securely pack the items to be returned in a box.
6. Affix the label squarely to the address side of the package, covering any previous delivery addresses and barcodes without overlapping onto adjacent sides.
