Forward Looking Statement

During this presentation, Check Point's representatives may make certain forward-looking statements. These forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities and Exchange Act of 1934 include but are not limited to, statements related to:

Our expectations regarding our products and solutions, expectations related to cybersecurity and other threats, and our financial projection for future quarter and year end results.. Our expectations and beliefs regarding these matters may not materialize, and actual results or events in the future are subject to risks and uncertainties that could cause actual results or events to differ materially from those projected. These risks include our ability to continue to develop platform capabilities and solutions; customer acceptance and purchase of our existing products and solutions and new products and solutions; the market for IT security continuing to develop; competition from other products and services; and general market, political, economic, and business conditions, including as a result of the war and hostilities between Israel and Hamas and Israel and Hezbollah and the Covid-19 pandemic. These forward-looking statements are also subject to other risks and uncertainties, including those more fully described in our filings with the Securities and Exchange Commission, including our Annual Report on Form 20-F filed with the Securities and Exchange Commission on April 27, 2023. The forward-looking statements in this presentation are based on information available to Check Point as of the date hereof, and Check Point disclaims any obligation to update any forward-looking statements, except as required by law.

In this presentation and in our press release, which has been posted on our website, we present GAAP and non-GAAP results, along with a reconciliation of such results as well as the reasons for our presentation of non-GAAP information.
