PROXY STATEMENT

ANNUAL GENERAL MEETING OF SHAREHOLDERS
June 29, 2010

We invite you to attend the Annual General Meeting of Shareholders of Check Point Software Technologies Ltd. The meeting will be held on June 29, 2010 at 5:00 P.M. (Israel time), at Check Point's principal executive offices at 5 Ha'solelim St., Tel Aviv, Israel.

We are sending you this Proxy Statement because you hold Check Point ordinary shares. Our board of directors is asking that you sign and send in your proxy card, attached to this Proxy Statement, in order to vote at the meeting or at any adjournment of the meeting.

Agenda Items

The following matters are on the agenda for the meeting:

- (1) to elect six directors – the terms of six of our current directors will expire at the meeting, and we are proposing to reelect these six directors;
- (2) to ratify the appointment and compensation of Kost, Forer, Gabbay & Kasierer, a member of Ernst & Young Global, as our independent registered public accounting firm for 2010 – Israeli law requires that we ask you, on an annual basis, to approve our auditors; when this proposal is raised, you will also be invited to discuss our 2009 consolidated financial statements; and
- (3) to approve compensation to our Chief Executive Officer who is also the Chairman of our board of directors.

How You Can Vote

You can vote your shares by attending the meeting or by completing and signing a proxy card. Attached is the proxy card for the meeting that is being solicited by our board of directors. Please follow the instructions on the proxy card. You may change your mind and cancel your proxy card by sending us written notice, by signing and returning a proxy card with a later date, or by voting in person or by proxy at the meeting. We will not be able to count a proxy card unless we receive it at our principal executive offices at 5 Ha'solelim Street, Tel Aviv, Israel, or our registrar and transfer agent receives it in the enclosed envelope, by June 29, 2010 at 6:59 A.M. Israel time, which is June 28, 2010 at 11:59 P.M. Eastern daylight time. If you sign and return the enclosed proxy card, your shares will be voted in favor of all of the proposed resolutions, whether or not you specifically indicate a "FOR" vote, unless you abstain or vote against a specific resolution. In addition, by signing and returning the proxy card you are confirming that you do not have a "personal interest" in any proposed resolution, unless you specifically note on the proxy card that you have a "personal interest" with respect to a specific resolution.

Who Can Vote

You are entitled to notice of the meeting and to vote at the meeting if you were a shareholder of record at the close of business on May 20, 2010, or the "Record Date." You are also entitled to notice of the meeting and to vote at the meeting if you held our ordinary shares through a bank, broker or other nominee which was one of our shareholders of record at the close of business on the Record Date, or which appeared in the participant listing of a securities depository on that date. We are mailing copies of this Proxy Statement and the proxy cards to our shareholders of record on the Record Date on or about May 28, 2010, and we will solicit proxies primarily by mail and email. The original solicitation of proxies by mail and email may be further supplemented by solicitation by telephone, mail, email and other means by certain of our officers, directors and employees, but they will not receive additional compensation for these services. We will bear the cost of external solicitors and of the solicitation of the proxy cards, including postage, printing and handling, and will reimburse the reasonable expenses of brokerage firms and others for forwarding material to beneficial owners of our ordinary shares.

Quorum and Required Vote

On May 20, 2010 we had outstanding 207,621,402 ordinary shares. Each ordinary share is entitled to one vote upon each of the matters to be presented at the meeting. Under our Articles of Association, the meeting will be properly convened if at least two shareholders attend the meeting in person or sign and return proxies, provided that they hold shares representing more than 50% of our voting power. This is known as a quorum. If a quorum is not present within half an hour from the time scheduled for the meeting, the meeting will be adjourned for one week (to the same day, time and place), or to a day, time and place proposed by the chairman of our board of directors with the consent of the majority of the voting power represented at the meeting in person or by proxy and voting on the adjournment. Any two shareholders who attend an adjourned meeting in person or by proxy will constitute a quorum, regardless of the number of shares they hold or represent. Under Israeli law, broker non-votes and abstentions will be counted toward the required quorum, but will then have no effect on whether the requisite vote is obtained (that is, they will not be counted as voting for or against the proposals).

If a shareholder holds ordinary shares through a bank or broker it is critical for that holder to cast a vote if that holder wants it to count in the election of directors (Item 1 of this Proxy Statement). In the past, if a shareholder held ordinary shares through a bank or broker and did not indicate how the holder wanted the ordinary shares voted in the election of directors, the shareholder's bank or broker was allowed to vote those ordinary shares on the shareholder's behalf in the election of directors as it felt appropriate. Recent changes in regulations were made to take away the ability of a shareholder's bank or broker to vote uninstructed shares in the election of directors on a discretionary basis. Thus, if a shareholder holds ordinary shares through a bank or broker and does not instruct the bank or broker how to vote in the election of directors, no votes will be cast on that shareholder's behalf. The shareholder's bank or broker will, however, continue to have discretion to vote any uninstructed shares on the ratification of the appointment and compensation of Check Point's independent registered public accounting firm (Item 2 of this Proxy Statement) and on the approval of the compensation of our chief executive officer (Item 3 of this Proxy Statement).

Our board of directors unanimously recommends that you vote "FOR" all proposals under Items 1 through 3 below.

Representatives of Kost, Forer, Gabbay & Kasierer will attend the meeting and will be invited to make a statement. They will be available to respond to appropriate questions raised during the meeting. In accordance with Section 60(b) of the Israeli Companies Law, you are invited to discuss our 2009 consolidated financial statements, and questions regarding the financial statements may be addressed to us or to our auditors. Our Annual Report on Form 20-F for the year ended December 31, 2009, including our 2009 audited consolidated financial statements, is available on our website at www.checkpoint.com. To have a printed copy mailed to you, please contact our Investor Relations department at 800 Bridge Parkway, Redwood City, California 94065; Telephone: 650-628-2000, email: ir@us.checkpoint.com.

We are proposing to adopt the following resolution:

"RESOLVED, that the appointment of Kost, Forer, Gabbay & Kasierer, a member of Ernst & Young Global, as Check Point's independent registered public accounting firm for 2010 be, and it hereby is, ratified, and the board of directors (or, the audit committee, if authorized by the board of directors) be, and it hereby is, authorized to fix the remuneration of such independent registered public accounting firm in accordance with the volume and nature of their services."

The affirmative vote of the holders of a majority of the voting power represented and voting on this proposal in person or by proxy is necessary to approve the resolution to ratify the appointment and compensation of our independent registered public accounting firm.

ITEM 3 – PROPOSAL TO APPROVE COMPENSATION TO OUR CHIEF EXECUTIVE OFFICER WHO IS ALSO THE CHAIRMAN OF OUR BOARD

The Israeli Companies Law provides that the compensation of our directors, whether as directors, officers or consultants, requires shareholder approval. This includes cash compensation as well as compensation in the form of stock options.

Gil Shwed, who is the Chairman of the board of directors of Check Point, is also our Chief Executive Officer. Therefore, Mr. Shwed's compensation requires shareholder approval. Our compensation committee, audit committee, board of directors and shareholders have previously approved Mr. Shwed's cash compensation.

Mr. Shwed has requested to forego his salary and bonus for 2010. Our compensation committee, audit committee and board of directors have reviewed Mr. Shwed's request and determined that Mr. Shwed will not receive a bonus for 2010, and will not receive any salary for 2010 except for an amount equal to the minimum wage required under Israeli law. Currently, other than the minimum wage required by law, Mr. Shwed's sole compensation for 2010 will be the option grant recommended below, if approved by the shareholders at the meeting. Our goal is to clearly align Mr. Shwed's compensation with the objectives of our shareholders.

Our compensation committee has recommended and our audit committee and the board of directors have approved the grant to Mr. Shwed of options to purchase 1,500,000 ordinary shares at an exercise price equal to 100% of the closing price of the ordinary shares on the NASDAQ Global Select Market on the date of the meeting. We are therefore proposing that you now approve the option grant to Mr. Shwed. The number of ordinary shares beneficially owned by Mr. Shwed, and the number of ordinary shares he beneficially owns pursuant to stock options exercisable within 60 days after May 3, 2010, are set forth above under the caption "Beneficial Ownership of Securities by Certain Beneficial Owners and Management."

In making its recommendation, the compensation committee considered several factors, including comparable industry data, data of peer companies in our industry, the responsibilities and duties performed by Mr. Shwed, the equity and compensation for comparably situated CEOs, the estimation of Mr. Shwed's expected contributions to the future growth and profitability of Check Point, as well as certain other factors.

The total direct cash compensation that we accrued for our directors and executive officers as a group for the year ended December 31, 2009 was approximately \$1.4 million.

We are proposing to adopt the following resolution:

"RESOLVED, that the grant to Gil Shwed of options to purchase 1,500,000 ordinary shares at an exercise price equal to 100% of the closing price of the ordinary shares on the NASDAQ Global Select Market on the date of the meeting and upon the terms recommended by Check Point's compensation committee and approved by Check Point's audit committee and board of directors be, and it hereby is, approved."

The affirmative vote of the holders of a majority of the voting power represented and voting on this proposal in person or by proxy is necessary for the approval of the resolution to approve the grant of options to our Chief Executive Officer, who is also the Chairman of our Board. In addition, since Mr. Shwed is a director of Check Point and may be deemed to be a controlling shareholder under Israeli law, a special majority vote will be required for approval of this proposal. In order to approve the grant of options to our Chief Executive Officer, the affirmative vote of the ordinary shares must *either* include at least one-third of the ordinary shares voted by shareholders who do not have a personal interest in the matter, *or* the total shares of non-interested shareholders voted against this proposal must not represent more than one percent of the outstanding ordinary shares. For this purpose, you are asked to indicate on the enclosed proxy card whether you have a personal interest in the adoption of the proposal to grant options to our Chief Executive Officer, as described above. Please note, that under the Israeli Companies Law, you are also deemed to have a personal interest if any member of your immediate family or their spouse has a personal interest in the adoption of the proposal. In addition, you are deemed to have a personal interest if a company, other than Check Point, that is affiliated to you has a personal interest in the adoption of the proposal. Such company is a company in which you or a member of your immediate family serves as a director or chief executive officer, has the right to appoint a director or the chief executive officer, or owns 5% or more of the outstanding shares. However, you are not deemed to have a personal interest in the adoption of the proposal if your interest in such proposal arises solely from your ownership of our shares.

By Order of the Board of Directors.

GIL SHWED
Chairman of the Board of Directors

Dated: May 20, 2010
