Additional Instructions for Mailing Your Package

1. Print this page.

2. Cut out the return label.

3. Write your return address in the upper-left corner of the label after "FROM."

4. Write your RMA number after "RMA#."

5. Securely pack the items to be returned in a box.

6. Affix the label squarely to the address side of the package, covering any previous delivery addresses and barcodes without overlapping onto adjacent sides.
