You can vote your shares by attending the meeting or by completing and signing a proxy card. Attached is the proxy card for the meeting that is being solicited by our board of directors. Please follow the instructions on the proxy card. You may change your mind and cancel your proxy card by

sending us written notice, by signing and returning a proxy card with a later date, or by voting in person or by proxy at the meeting. We will not be able to count a proxy card unless we receive it at our principal executive offices at 5 Ha'solelim Street, Tel Aviv, Israel, or our registrar and transfer agent receives it in the enclosed envelope, by June 9, 2015 at 6:59 A.M. Israel time, which is June 8, 2015 at 11:59 P.M. Eastern daylight time. If you sign and return the enclosed proxy card, your shares will be voted in favor of all of the proposed resolutions, whether or not you specifically indicate a "FOR" vote, unless you abstain or vote against a specific resolution. In addition, by signing and returning the proxy card you are confirming that you do not have a "personal interest" in any proposed resolution, unless you specifically note on the proxy card that you have a "personal interest" with respect to a specific resolution.

Who Can Vote

You are entitled to notice of the meeting and to vote at the meeting if you were a shareholder of record at the close of business on May 1, 2015, or the "Record Date." You are also entitled to notice of the meeting and to vote at the meeting if you held our ordinary shares through a bank, broker or other nominee which was one of our shareholders of record at the close of business on the Record Date, or which appeared in the participant listing of a securities depository on that date. We are mailing copies of this Proxy Statement and the proxy cards to our shareholders of record on the Record Date on or about May 7, 2015, and we will solicit proxies primarily by mail and email. The original solicitation of proxies by mail and email may be further supplemented by solicitation by telephone, mail, email and other means by certain of our officers, directors and employees, but they will not receive additional compensation for these services. We will bear the cost of external solicitors and of the solicitation of the proxy cards, including postage, printing and handling, and will reimburse the reasonable expenses of banks, brokerage firms and others for forwarding material to beneficial owners of our ordinary shares.

Quorum and Required Vote

On May 1, 2015, we had outstanding 180,854,529 ordinary shares. Each ordinary share is entitled to one vote upon each of the matters to be presented at the meeting. Under our Articles of Association, the meeting will be properly convened if at least two shareholders attend the meeting in person or sign and return proxies, provided that they hold shares representing more than 50% of our voting power. This is known as a quorum. If a quorum is not present within half an hour from the time scheduled for the meeting, the meeting will be adjourned for one week (to the same day, time and place), or to a day, time and place proposed by the Chairman of our board of directors with the consent of the majority of the voting power represented at the meeting in person or by proxy and voting on the adjournment. Any two shareholders who attend an adjourned meeting in person or by proxy will constitute a quorum, regardless of the number of shares they hold or represent. Under Israeli law, broker non-votes and abstentions will be counted toward the required quorum, but will then have no effect on whether the requisite vote is obtained (that is, they will not be counted as voting for or against the proposals).

If a shareholder holds ordinary shares through a bank or broker it is critical for that holder to cast a vote if that holder wants it to count. Please note that a shareholder's bank or broker can no longer vote uninstructed shares in the election of directors on a discretionary basis. Thus, if a shareholder holds ordinary shares through a bank or broker and does not instruct the bank or broker

how to vote, no votes will be cast on that shareholder's behalf except with respect to Item 3. The shareholder's bank or broker will, however, continue to have discretion to vote any uninstructed shares on the ratification of the appointment and compensation of Check Point's independent registered public accounting firm (Item 3 of this Proxy Statement).

Our board of directors unanimously recommends that you vote "FOR" all proposals under Items 1 through 7 below.

ITEM 2 - ELECTION OF TWO OUTSIDE DIRECTORS

In accordance with Israel's Companies Law and the relevant regulations, we must have at least two outside directors who meet the statutory requirements of independence. Under Israel's Companies Law, an outside director serves for a term of three years, which may be extended for additional three-year terms. Further, an outside director can be removed from office only under very limited circumstances. In addition, under Israel's Companies Law, all of the outside directors must serve on our audit committee and compensation committee (including one outside director serving as

the chair of our audit committee and our compensation committee), and at least one outside director must serve on each committee of our board of directors.

As noted above, Yoav Z. Chelouche, Irwin Federman, Guy Gecht and Ray Rothrock, are our outside directors under Israel's Companies Law. The current term of office of Messrs. Chelouche and Gecht expires in 2015 and they are standing for reelection at this meeting. The term of office of Messrs. Federman and Rothrock expires in 2017, and they are not required to stand for reelection at the meeting. Biographical information concerning all of our outside directors, including Messrs. Mr. Federman received a B.S. in Economics from Brooklyn College.

Nominees for Outside Director

The nominating committee of our board of directors recommended that Messrs. Chelouche and Gecht be reelected as outside directors at the meeting for an additional three year term, and has found that each of Messrs. Chelouche and Gecht has all necessary qualifications required under Israel's Companies Law to be considered an "outside director" and to be considered an "independent director" pursuant to the rules of NASDAQ. Our audit committee and board of directors approved the nominating committee's recommendation and determined that, in light of the expertise and contribution to our board of directors and board committees of each of Messrs. Chelouche and Gecht, the reelection of each of Messrs. Chelouche and Gecht as an outside director for an additional three year term would be in the company's best interest. If elected at the meeting, each of Messrs. Chelouche and Gecht would serve for an additional three-year term.

We are proposing to adopt the following resolutions:

RESOLVED, that the reelection of Yoav Chelouche to the Board of Directors of Check Point to serve as an outside director for an additional three-year term until the 2018 annual general meeting of shareholders be, and it hereby is, approved; and

FURTHER RESOLVED, that the reelection of Guy Gecht to the Board of Directors of Check Point to serve as an outside director for an additional three-year term until the 2018 annual general meeting of shareholders be, and it hereby is, approved.

The affirmative vote of the holders of a majority of the voting power represented and voting on this proposal in person or by proxy is necessary to elect each of Messrs. Chelouche and Gecht as an outside director. In addition, the shareholders' approval must *either* include at least a majority of the ordinary shares voted by shareholders who are not controlling shareholders nor are they shareholders who have a personal interest in the election of the outside directors (excluding a personal interest that is not related to a relationship with the controlling shareholders), *or* the total ordinary shares of non-controlling shareholders and non-interested shareholders voted against this proposal must not represent more than two percent of the outstanding ordinary shares. For this purpose, you are asked to indicate on the enclosed proxy card whether you are a controlling shareholder or have a personal interest in the election of the outside directors (excluding a personal interest that is not related to a relationship with a controlling shareholder). Under Israel's Companies Law, in general, a person will be deemed to be a controlling shareholder if the person has the power to direct the activities of the company, otherwise than by reason of being a director or other office holder of the company, and you are deemed to have a personal interest if any member of your immediate family or their spouse has a personal interest in the adoption of the proposal. In addition, you are deemed to have a personal interest if a company, other than Check Point, that is affiliated to you has a personal interest in the adoption of the proposal. Such company is a company in which you or a member of your immediate family serves as a director or chief executive officer, has the right to appoint a director or the chief executive officer, or owns 5% or more of the outstanding shares. However, you are not deemed to have a personal interest in the adoption of the proposal if your interest in such proposal arises solely from your ownership of our shares, or to a matter that is not related to a relationship with a controlling shareholder.

ITEM 3 – PROPOSAL TO RATIFY THE APPOINTMENT AND COMPENSATION
OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM;
REVIEW AND DISCUSSION OF OUR 2014 CONSOLIDATED

RESOLVED, that the appointment of Kost, Forer, Gabbay & Kasierer, a member of Ernst & Young Global, as Check Point's independent registered public accounting firm for 2015 be, and it hereby is, ratified, and the board of directors (or, the audit committee, if authorized by the board of directors) be, and it hereby is, authorized to fix the remuneration of such independent registered public accounting firm in accordance with the volume and nature of their services.

The affirmative vote of the holders of a majority of the voting power represented and voting on this proposal in person or by proxy is necessary to approve the resolution to ratify the appointment and compensation of our independent registered public accounting firm.

ITEM 4 – PROPOSAL TO AMEND AND EXTEND THE COMPANY'S EMPLOYEE STOCK
PURCHASE PLAN

Our 1996 Employee Stock Purchase Plan, which we refer to as the ESPP, is scheduled to expire in January 2016.

The compensation committee of our board of directors has reviewed the ESPP and recommended that the ESPP be extended through January 2036. The compensation committee further recommended that the number of ordinary shares available for issuance under the ESPP be set at 500,000 ordinary shares, which together with the ordinary shares available for issuance under our other equity compensation plans shall not exceed 10% of Check Point's outstanding ordinary shares. The effective date of the amended ESPP is set for January 1, 2016. Except for such changes, the terms of the existing ESPP shall remain the same.

Our board of directors subsequently approved such recommendation of the compensation committee.

We are proposing to adopt the following resolution:

RESOLVED, that the extension of Check Point's Employee Stock Purchase Plan until January 1, 2036, and the setting of the number of ordinary shares available for issuance thereunder at 500,000 ordinary shares be, and it hereby is, approved.

The affirmative vote of the holders of a majority of the voting power represented and voting on this proposal in person or by proxy is necessary to approve the resolution to approve the extension and amendment of Check Point's Employee Stock Purchase Plan.

ITEM 5 – PROPOSAL TO AUTHORIZE AN INCREASE TO THE COVERAGE OF OUR D&O LIABILITY INSURANCE COVERAGE

Under Israel's Companies Law, the provision of liability insurance coverage is considered part of the compensation terms of directors and executive officers and, as such, requires shareholder approval, in addition to that of the compensation committee and the board of directors. The purchase of such insurance is standard practice for companies similar to Check Point and is customary in the United States and in Israel. Check Point believes that the purchase of such insurance is necessary in order to help ensure Check Point's continued ability to attract and retain highly qualified individuals to serve as its directors and executive officers.

Our compensation committees has reviewed our D&O liability insurance coverage and compared it to that maintained by comparable publicly traded companies. On the basis of that comparison, our compensation committee has recommended that it is appropriate and reasonable given our market capitalization, business activities and assessment of the risks involved in such activities, to authorize an increase to our D&O liability insurance coverage from \$100 million to \$150 million. Our board of directors subsequently approved such recommendation of the compensation committee.

We are proposing to adopt the following resolution:

RESOLVED, that the increase to Check Point's D&O liability insurance coverage from \$100 million to \$150 million be, and it hereby is, approved.

The affirmative vote of the holders of a majority of the voting power represented and voting on this proposal in person or by proxy is necessary to approve the resolution to authorize an increase to Check Point's D&O liability insurance coverage from \$100 million to \$150 million.

ITEM 6 – PROPOSAL TO APPROVE COMPENSATION TO OUR CHIEF EXECUTIVE OFFICER WHO IS ALSO THE CHAIRMAN OF OUR BOARD

Israel's Companies Law provides that the compensation of our directors, whether as directors, officers or consultants, requires shareholder approval. This includes cash compensation as well as compensation in the form of equity awards. Gil Shwed, who is the Chairman of our board of directors, is also our Chief Executive Officer. Therefore, Mr. Shwed's compensation requires shareholder approval.

Mr. Shwed has requested to forego his salary and bonus for 2015, as he has done for the past several years. Following consideration of Mr. Shwed's request, our compensation committee and board of directors have determined that Mr. Shwed will not receive a bonus for 2015, and will not receive any cash compensation for 2015 except for an amount equal to the minimum wage required under Israeli law. Currently, other than the minimum wage required by law, Mr. Shwed's sole compensation for 2015 will be the option grant recommended below, if approved by the shareholders at the meeting. Our goal is to clearly align Mr. Shwed's compensation with the objectives of our shareholders.

Our compensation committee recommended the grant to Mr. Shwed of options to purchase 1.6 million ordinary shares at an exercise price equal to 100% of the closing price of the ordinary shares on the NASDAQ Global Select Market on the date of the meeting, vesting over a period of 4 years. Our board of directors subsequently approved the grant to Mr. Shwed of options to purchase 1.6 million ordinary shares, upon the terms recommended by the compensation committee. We are therefore proposing that you now approve the option grant to Mr. Shwed. The number of ordinary shares beneficially owned by Mr. Shwed, and the number of ordinary shares he beneficially owns pursuant to stock options exercisable within 60 days after April 20, 2015, are set forth above under the caption "Beneficial Ownership of Securities by Certain Beneficial Owners and Management; Executive Compensation."

In making its recommendation, the compensation committee considered several factors, including comparable industry data, data of peer companies in our industry, the responsibilities and duties performed by Mr. Shwed, the equity and compensation for comparably situated chief executive officers, the estimation of Mr. Shwed's expected contributions to the future growth and profitability of Check Point, as well as certain other factors prescribed by Israel's Companies Law and our executive compensation policy. The compensation committee directly engaged the services of Mercer LLC, a leading global provider of consulting services relating to human capital and compensation. Mercer provided input on a range of external market factors, including appropriate comparison companies for assessing our competitive market position and comparable executive compensation arrangements, including an analysis of the Company's performance relative to that of peer companies. No member of the compensation committee or any named executive officer has any affiliation with Mercer. Mercer reported directly to the compensation committee.

In connection with their review, our compensation committee and board of directors confirmed that it is the intention of the company that the number of company equity awards outstanding shall continue in the future not to exceed 10% of our outstanding ordinary shares.

The annual compensation earned during 2014 by our five most highly-compensated executive officers is outlined in Item 6.C. of our Annual Report on Form 20-F for the year ended December 31, 2014, as filed with the Securities and Exchange Commission on April 24, 2015, a copy of which is available on our website at www.checkpoint.com.

We are proposing to adopt the following resolution:

RESOLVED, that the grant to Gil Shwed of options to purchase 1.6 million ordinary shares at an exercise price equal to 100% of the closing price of the ordinary shares on the NASDAQ Global Select Market on the date of the 2015 Annual General Meeting of Shareholders and upon the terms recommended by Check Point's compensation committee and approved by Check Point's audit committee and board of directors be, and it hereby is, approved.

The affirmative vote of the holders of a majority of the voting power represented and voting on this proposal in person or by proxy is necessary for the approval of the resolution to approve the grant of options to our Chief Executive Officer, who is also the Chairman of our Board.
